Here's what you will learn.....

- Who wrote the Bible - where did it come from? • How to get past the sometimes difficult language used in the Bible.
- How to learn more in less time with effective study tools. • How to use cross references and a centre margin.
- An overview of each book of the Bible in a concise easy-to-understand manner.
- History and chronology (the order of events) in the Bible. • How science is reconciled with the scriptures.
- Prove to yourself the Bible is not a work of fiction. • How to read carefully (e.g. Adam and Eve didn't eat an apple).
- Why quoting a single scripture is dangerous (how to keep passages in context).
- Who are the Jews? Why are they so important in the Bible?
- Why parts of the Bible are so difficult to understand and how they can be simplified.
- How did so many interpretations of the Bible develop? • When and how to understand the book of Revelation.
- Why does God allow so much suffering and wickedness? • What are the differences between Bible versions?
- Why is there an Old Testament and a New Testament? • How to use a concordance and a lexicon.
